ABOUT US

From the stunning landscape of country Australia to trendy Hong Kong, Pipers design team draw on inspiration from global organic and architectural elements to design world leading showers and bathroom product here in Australia.

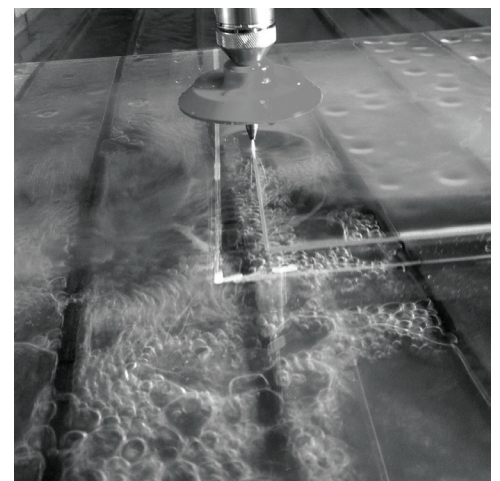

Positioned in the Melbourne Campbellfield precinct PIPERS is on the doorstep to scour the world for best practice in manufacturing and design. Run by a family owned company since 1974, delivering cutting edge building products, shower screens, glass splashbacks, wardrobes, mirrors, shower bases, glass, hardware and aluminium products.

Pipers customer service is dedicated to giving you service and design advice with a strong focus around personalising your project experience. Our experienced team are standing by managed with expertise in manufacturing, in-home services and importing. Our team are passionate about combining design with technically high functioning goods to transform your interior and lifestyle.

Our manufacturing plant incorporates state-of-the-art machinery together with high grade raw materials to deliver you the finest product in a quality controlled environment.

Pipers wardrobes are a gliding breeze to complement your bedroom design. Manufactured to suit your space and colours, our research and development has resulted in an exciting PIPERS glass, mirror and board wardrobe range.
